It's a great spell to get out of a situation or if you're trying to carry to the deadly blow. The less thing you can do at this time is to use your trap noxious (Ultimate) to get the maximum mushrooms as possible. Hunter + C "Genius You want your Noxious trap available as possible to put the maximum mushrooms you can. When in a team fight, its main goal is to use the blind dart (1st skill) on the enemy carries so that he does not cause damage for a period of time, and trying to self-attack and cause the maximum Possible damage. Do not be caught by yourself, as Teemo is not the best when it comes to a 1 vs 1 final game. The top ranked Teemo players in the community rank him to be in essence combat, some attacking and using skills to poke enemies, while others like to stay safe and play defensively. Overall, Teemo is one of the champions who may seem useless, but when he comes forward,he can be very scary because of his invisibility and his invisible mushrooms. The most important thing to note with this summoning spell is that it doesn't last long, so you need to make sure you use it when you're about to take damage. Nashor's Tooth - Stasis Teemo uses a blend of auto-attacks and ability power to damage enemies. Nashor tooth is a very unique item at the beginning of the game, when you want to try to fight and get an advantage. He has a very unique playing style, being able to become invisible at times and place invisible mushrooms on the ground that enemies can step on, causing a lot of damage. adY For LOL Patch 12.6 TEEMO Top Summon Winner's Winner's Winner's 95.28% 3.0469 Main % 3.16% 10142.57 % WinnersSkill WinnersKillskill TOP ITEM Buildtuxta de Vitória Estes88.82%A 2.77350,22% 66A °C 17.168A °% 9.98A °% 9.98A ° 05A° 10.54A °% 855059A °% 37.97A °% 1.17648.72A °% 31.71A °% 98247.82% 14.85A °% PickRate2.60A° 83win rate44.58% Teemo, you want to be very aggressive at the beginning of the game. Liandry's torment is a great first item that can help with Teemo damage from your automaty attacks and skills.
