4 SIMPLE BIBLE STUDY STEPS

WITH THE FREE PRINTABLES

1

STUDY THE GENERAL BACKGROUND & HISTORY OF THE BOOK OF THE BIBLE.

Who wrote it? What do you know about the author? Who was it written to and what do you know about these people? When was it written and under what circumstances?

2

READ THE PASSAGE IN CONTEXT, FIND THE THEMES OF THE BOOK AND LIST THE MAIN SUBJECTS DISCUSSED.

Read over the entire chapter. The main subjects of that chapter may be something like Redemption, Marriage, Leadership, Conduct, etc. Identify these. It will help you identify the Bible typically by memory as well.

3

STUDY THE PARTICULAR PASSAGE SECTION BY SECTION.

This is breaking it down word by word, verse by verse, paragraph by paragraph and really digesting all that's being stated. Consider defining or translating key words to see what it originally meant in its Greek, Hebrew or Aramaic translation. Look at what other related verses say about the subject.

4

MAKE SPECIFIC APPLICATIONS TO YOUR LIFE.

Now that you've broken down the chapter how does this lesson apply to your everyday life? What do you need to change or strengthen? How can you carry it out this week, today, right now?

Attitudes of the Heart from Calvary Baptist Church Calvary Baptist is a church that focuses on traditional worship in building a diverse congregation in a family-friendly environment. In particular, they put a deliberate emphasis on the actual Word of God and the attitudes they believe that the Holy Spirit wants all Christians to develop and live. Attitudes of the Heart is a series of 14 free Bible studies that teach about these attitudes with lessons like Faith, Obedience, Love, Joy, Unity, and Humility. There is plenty here to learn, think about, and pray about, and these lessons will keep you engaged for weeks (at least). Check out the PDFs here. Topical Bible Studies from the Church of Christ in Zion, Illinois The Church of Christ in Zion, Illinois, is a nondenominational congregation of Christian worshipers who don't subscribe to any religious doctrine except the Word of God and Jesus as our savior. The Church of Christ holds as its mission to present the stories of Bible in context with the history and culture of the times in which they happened and to provide believers an avenue for communion with other believers. Although the Zion branch of the Church of Christ is a physical church with regular services, they also maintain a strong web presence with tons of free resources available to anyone with an internet connection. Zion's Bible Class Books page offers nearly 40 individual lessons across both Testaments of the Bible as well as extra materials dealing with topics like the history of Christianity and the Church of God, the Godly man, and the principles of teaching God's Word to others. There is enough information here to get you started on just about any Bible topic that interests you, and each lesson is comprehensive and well-written. Check out the Bible studies here. PDF Bible Study Outlines from Send the Light Ministries Send the Light Ministries is a fundamental Christian church based in the Philippines who believe strongly in the inerrancy and infallibility of the word of God as presented in the Holy Bible. They are dedicated to spreading that word to Filipinos all around the globe. Part of that effort involves maintaining a robust and deep-content website filled with resources to help new believers and Bible teachers — of all sorts — alike. Of particular interest to us today as we seek portable resources for learning the Bible are the ten lessons offered on the PDF Bible Study Outlines page. Topics range from the Pearl to Animals to Bible paradoxes and are sure to engender new avenues of Christian thought as you continue down your Bible learning pathway. Check out the Bible study outlines here. "Study Your Bible" from the Orthodox Presbyterian Church The Orthodox Presbyterian Church (OPC) was founded in 1936 in response to the changes wrought in mainstream USA Presbyterian Churches through what OPC dubs "theological liberalism" — the departure from historical Christian doctrines such as the virgin birth and the authority of scripture. Of course, several years of work generally precede the full maturity of any movement, and that was the case with the OPC. Today, the church brings some of that history to life by offering a PDF version of "Study Your Bible," a 109-page booklet written in 1934 by Edward J. Young and subtitled, "A Self Study Course for Bible Believing Christians." If you're interested in a straightforward approach to Bible study in the traditions that shaped our grandparents' and great (great?) grandparents' understanding of the word of God, this guide is hard to beat. Check out "Study Your Bible" here. 100 Bible Lessons by Alban Douglas The Ministerial Care and Study System (MCSS Online) was established to harness the power of the internet in spreading the word of God around the world. Like Send the Light Ministries, the Philippines is a primary focus area for MCSS Online, but their website is accessible to people just about anywhere. There are copious resources on the site and it's well worth your effort to explore a bit, but one document in particular provides a tremendous amount of information and study material under a single cover — "100 Bible Lessons by Alban Douglas." Here you'll find studies that begin with a discussion of the existence of God and continue all the way through to issues of modern morality. Check out this huge guide here. PDF Bible Classes from Kingdom Living Kingdom Living is a comprehensive blog run by Matt Dabbs, who tabs the site simply, "Reflections on life as a disciple of Jesus Christ." That ethos shines through in everything that Matt writes, which often takes the form of Bible study tips that he publishes on a regular basis. Nowhere is Matt's passion for spreading the Word more evident than in a post titled, "60,000 PDF Bible Class & Small Group Downloads," where he details the (you guessed it) nearly 60,000 PDF documents that visitors had downloaded as of October 2, 2012. Yes, more than five years ago! The mind boggles at what that number might be now. And it's no wonder, considering that Matt provides access to more than 900 lessons encompassing north of 3000 total pages of learning material. What a great resource for all of us trying to learn more about the Gospel, whether we're new believers or not! Check out the entire suite of downloads here. Beginning with Christ from Topical Bible Study Lessons There is nothing fancy about the Topical Bible Study Lessons website, but it's hard to beat the sheer volume of free materials available to help you in your Bible studies, particularly if you work within a small group. With page after page of lessons targeted to young people, college students, and adults, this site can guide just about anyone on their path toward a better understanding of God's word. While much of the material is presented in Word documents, you can convert those to PDFs once downloaded if you wish. The site does offer some pre-formatted PDFs, too, if that is your preferred delivery method. A great example is the 58-page "Beginning With Christ" suite of lessons that leads you through some of the most common questions that arise in being a Christian today. Check out all of the Topical Bible Study Lessons here.
