It seems that it does not work .. I downloaded a TTS software ((engine ??) software) software but fails to understand Whee the first IGO files are copied and placed instructions need help instructions How to enter points of interest icons the Igo map Because for example all the hotels have the same bed as the gray icon and all the retraunts have the same gray icon that would have helped to change to the McDonell icon or to the Mariot or Hilton icon on road maps like doing this for all the same Categories //// Thank you in advance about TTS Solutions and Custom Category Bankof Icon Offline A, Member: Fri Apr 14, 2017 11:15 Amposted: 11 Thanked: 0 Time You were thanked: 0 Time from Djbosanac A , "Sat Jul 15, 2017 8:16 am Jtrotsky wrote: Here is a cool link for Igo First 2.4 (9.6.13): Sent from my H110 Pro using Tapatalkis there a recent version of the first series for Igo first CE6. 0 ?? / And I can use here maps first ...
