Refer to a figure - that you have not entered into your job? If you refer to an image or graph that you are not reproduced in your task, make your in-text quote according to the source of the image or graph you are using (eg book, magazine article, page Web). (Note: If you can replicate the figure in your assignment, you should) AD ES (for an e-book online) IN-TEXT quote ... A great representation of Feng Shui as shown in the bathroom at the Country court St Anne (Skinner, 2004, pag 87). Reference list Skinner, S. (2004). Feng Shui Style: Asian art of a pretty language. Periplus editions. Insertion of figures in a thesis or published publication? If you are inserting a figure in a thesis or published publication, you need to get permission to use that image or graph. Once you have that authorization, you can add to the end of the note: Å, under your figure: reprinted with permission or adapted with permission. Alternatively, if you use a CREATIVE COMMONS image, enter the details of the relevant license. Å ¢ Å, ~ Å ¢ All images, indicated in the text or reproduced in an essay, assignment or presentation, must be mentioned and included in the reference list. Å ¢ Å, ~ Å ¢ When referring to an image in your wise text, it provides a brief quote constituted by the name of the creator (s) or author (s) of the date of publication or creation and, if of the case, the relevant page, figure, table, paragraph number or time: the debate raged on the ethics of children's care after the cartoon publication "Thoughts of a child lying in a child care center" in Sydney Morning Herald (Leunig, 1995, page 24). The power and strength of the female athlete is depicted in the portrait of Jackie Joyner-Kersey (1996, p. 72). The positive and negative implications of five aspects of Confucian ethics (Yeh & Xu, 2010, Table 1) were analyzed. Ardagna et al. They created a three-layer structure for electronic services; E-service components, a server applications and the operating system platform (2008, figure 1). Ryder has created a picture to illustrate the main factors that influence the moral decision-making process (2006, par. 10). The fear of officers, who had no desire to meet Ned Kelly, is portrayed in a non-ambiguous way on the face of the soldier in the painting the meeting (Nolan, 1946). The artistic process of characterization is explained (Kessel, 1995, min.10: Å ¢ Å, ~ Å ¢ When reproducing or adapt an image, a caption must be positioned immediately above the image and the appropriate attribution below: Image from a Jackie Joyner-Kersey book from The Leibovitz, A. (1996). Olympic portraits. Small brown. Image from a book Chapter E-Services E-Services Structure from Ardagna, C. A., Damiani, E., Frati, F., & Madravio, M. (2007).
