It will be difficult for the government to differentiate between illegal and persecuted migrants. The Law of 1920 sends foreigners to carry passport, while the Law of 1946 regulates the entry and departure of foreigners in India. For example, if a person resides in India for a year and if one of his parents is a former Indian citizen, he can apply for citizenship by registration, the IOC has been sentenced to prison for two years or more, or (iii) become necessary in the interest of India's sovereignty and security. In January 2019, the government had notified the High-Level Committee (HLC) for the implementation of Clause 6 of Assam Accord and asked the Committee to submit its report at the beginning of the Central Government to take effective measures to comply with the provisions of the Agreement. For the Map of the Mind on Human Rights Day, we can pay attention to the many groups who have protested recent changes in understanding the "citizen" in India. Leaving from the six religions granted special privileges are Jews and Muslims, making it official a discriminatory policy against Islam and Judaism in India. According to the government, this project aims to grant instead of taking citizenship from someone. The protests were global, including an Open Letter to the Government of India drafted and signed by students, teachers, alumni and affiliates of Columbia University. In these areas, the visits of the Indians are regulated through the Inner Line Permission.
