Students of this degree read two-month essays on each subject. In the eleventh class, known as the first year, they must read the second article of these subjects according to their group. One level is equivalent to it. As in class 9-10 students are also divided into three groups: Science, Business Studies and Humanities. Bangla, English & ICT is a mandatory subject for all group students. They must complete all these books in this period of time of the 11th-12th class. Another thing at this time students must buy their books. The government doesn't give them free books. Normally in HSC level students follow different book writers forbetter understanding, but it is quite expensive and most cases not so important to buy a full book for one or two topics. In this case, if you want you can download the pdf version of those books.
